

ACTIVITIES FOR

FATHER'S DAY

Shopping Trip

Your dad might say he does not want anything this year, but that could change if you let him pick out exactly what he wants during a mini shopping spree!

Hit the Track

Does your dad have a need for speed? You can take your dad to a kart racing at a local track and let him enjoy the thrill!

Fishing

Catching fish is usually less important than the time spent out on the water taking in the scenery and enjoying the great outdoors!

Road Trip

Take the whole family to enjoy some quality time together. And like the old saying goes, "Life is about the journey, not the destination".

Picnic Excursion

If the entire family is equipped accordingly, why not take this opportunity to go out on a Father's Day bike ride? You could pack a picnic and enjoy lunch together in a scenic spot!
